Elegance, style, class!

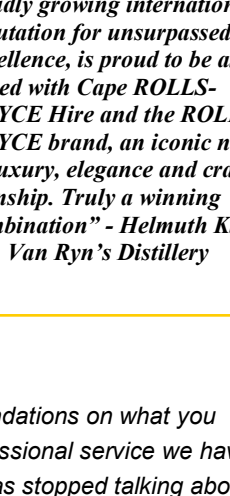

50th wedding service in October!

October this year was significant for us in that we surpassed the 50 wedding milestone—our company has now been the wedding transport provider for over 50 weddings in the Western Cape, utilizing ROLLS-ROYCE vehicles exclusively.

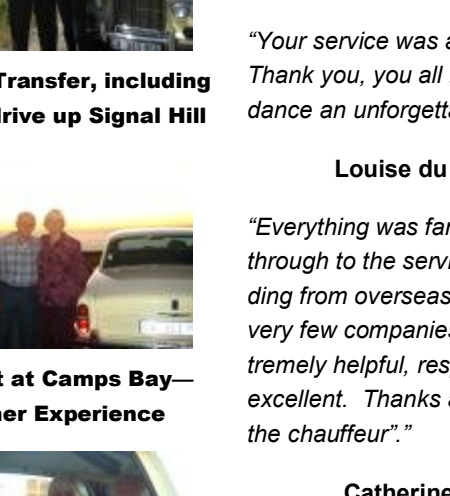

We are very proud of the service we offer, which is uncompromising in quality and service excellence—a big thank you to all our clients!

Airport Transfer, including scenic drive up Signal Hill

"I honestly cannot give any recommendations on what you could do better. It was the most professional service we have ever witnessed. None of the family has stopped talking about how great you are"

Bronwyn Fox, [Dinner Experience](#), September 2008

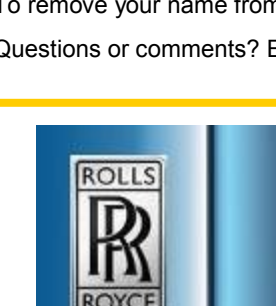

"Your service was absolutely fantastic and very professional. Thank you, you all have contributed to make my son's matric dance an unforgettable experience."

Louise du Toit, [Matric Ball](#), September 2008

"Everything was fantastic from the initial contact for quote right through to the service on the wedding day. Organising a wedding from overseas can be difficult and you were one of the very few companies that we dealt with in SA who were extremely helpful, responded to emails quickly, and the service excellent. Thanks again especially to Nicola in the office and the chauffeur".

Catherine Summers, [Wedding](#), March 2008
